

Subject line: A popular Marian consecration for your parish—loved by pastors, requested by parishioners

Dear Fr. _____ (or church secretary),

I would like to present to [name of parish here] a 46-day in-home, self-directed Marian Consecration retreat endorsed by Archbishop Salvatore Cordileone and Bishop Michael Barber, which is igniting conversions, hope, and unity in parishes. The retreat, based on the books *Mary's Mantle Consecration: A Spiritual Retreat for Heaven's Help* and the accompanying prayer journal, is particularly relevant and consoling for our troubled times. It can be offered in English or Spanish, and the response from parishioners and parishes has been tremendous.

Mary's Mantle Consecration retreat requires little effort on the part of the pastor, who simply assigns a person to send out daily e-mails to the participants and chooses an intention that everyone will pray for daily. The cost is nothing for the parish, and a waterfall of grace results.

I would love to schedule a brief 20-minute meeting to share more about how this consecration retreat works and how it could bless your parish community.

The retreat can be done by entire parishes or by a group within the parish. Groups can also choose to meet through Zoom. The website above explains everything a parish or group would need to know.

Please let me know if you are interested.

In Christ,
